

Klubb moves into India

20. March 2018 | **Comments** (0)

French vehicle mounted lift manufacturer Klubb has appointed Gemini as its distributor for India.

Established in 1988, Gemini Power Hydraulics is headquartered in Mumbai and distributes a range of aerial lift manufacturers, offering products from Haulotte, CTE and Palazzani. The company will mount and distribute the Klubb van mounted platforms from its facilities around the country and will also provide parts and service coverage for the lifts.

Gemini represented Klubb at the AWP Junction event in Mumbai

Gemini managing director Rajiv Sethi said: "All the team is very excited about this appointment. The idea behind this is to bring brand new products to the Indian market, able to reduce time and increase efficiency for our customers."

Gemini's team in Mumbai

Klubb chief executive Julien Bourrellis added: "It's a great pleasure to welcome Gemini in our growing network of professional dealers. India is experiencing strong economic growth and there is a large increase in the number of firms who want innovative and top quality machines in order to increase efficiency."
