Performance Certificate.

Gemini Power Hydraulics Pvt Ltd has successfully demonstrated and commissioned 2 Nos of **Scissor Lifts** at our Manufacturing Facility at Kanjurmarg – Mumbai.

Models No of Scissor Lifts as mentioned below

1: Compact -12 (Working Height =12 mts)

Sr No: CE143658 Installation Date 22 October 2010

2: Compact-10N (Working Height =10 mts):

Sr No: CE149884 Installation Date 17 July 2012

Both the machines are regularly used in your Assembling and Testing of Transformers at our Manufacturing Facilities thereby increasing the Productivity. The Performance of the Machines is Satisfactory.

We do wish to mention here that usage of these machines, in place of manually movable MS Stands, helped us to save time executing **work at heights** and **enhance safety at the work place** minimizing accidents resulting from falling from heights

We also wish to state that after sales services provided by Gemini are to the satisfaction. The service engineer is regularly making service visits as well as and when required to ensure the machine is restored on time. This is possible due to availability of spares with them.
