### Performance Certificate.

Gemini Power Hydraulics Pvt Ltd has successfully demonstrated and commissioned 1 No  
**Articulating Boom Lift** of Haulotte Brand at our manufacturing facility in Talaja

Models Supplied are as below

#### HA-15IP

We want to thank them for providing such equipments which have helped us to save time  
executing **works at height** and **enhance safety at the work place** minimizing  
accidents resulting from falling from heights

The Boom Lifts are used to carry out for working at height about 14 meter for barricading  
between process and project area and also for maintenance in the Production shops.

**We have saved almost 50 % Man hrs due to usage of Articulating Boom Lift**

Gemini has also provided us Prompt Service Back up for the Machines and made regular  
service visits as and when required to ensure the machine is in Proper condition.
